## 20 awesome things to do in NYC this week

**Kehinde Wiley: "Trickster" Sean Kelly Gallery; 11am; free**

New York–based painter Kehinde Wiley's latest exhibition, "Trickster," features portraits of fellow contemporary artists, among them Derrick Adams, Sanford Biggers, Rashid Johnson, Wangechi Mutu, Mickalene Thomas and Carrie Mae Weems. Using the mythological trope of the trickster, Wiley examines the ways in which artists, and all people of color, navigate and transform social boundaries.
