6. Hugo McCloud at Sean Kelly BK

Sean Kelly is venturing across the East River for Armory Week, presenting a suite of Hugo McCloud's "Metal Paintings" in a raw Bushwick industrial space that they're calling Sean Kelly BK. For the opening on Thursday night, McCloud will stage an action at the exhibition space in which colleagues of his will use welding equipment to "create a dynamic environment that references the artistic and industrial processes used to create [the] works." The exhibition isn't much more than a pop-up, only open to the public for two weekends, but it could be Kelly's first step in opening a permanent space in Brooklyn.

Location: 420b Troutman Street, Brooklyn

Price: Free

Time: Opening reception on March 8, 8:30 p.m.–10:30 pm (RSVP required); March 9–11, 17, and 18, 11:00 a.m.–6 p.m.
