What's New This Week, From Our List Members

Art Basel Booth D14 by Sean Kelly x Fritz Hansen x Master Dynamic

For this year's iteration of Art Basel Miami Beach, *List* members Sean Kelly, Fritz Hansen, and Master Dynamic teamed up to deliver a quality art, furniture, and technology experience. With artists represented by Sean Kelly as the focus, viewers were invited to seat themselves in a Fritz Hansen Egg Chair while learning about the art via a recording played through Master Dynamic headphones.
