9 ART EVENTS TO ATTEND IN NEW YORK CITY THIS WEEK

THURSDAY, OCTOBER 23

Opening: "Marina Abramović: Generator" at Sean Kelly Gallery

Marina Abramović's new show is about "nothingness," and will require visitors to surrender their cellphones, laptops, iPads, watches, bags, etc. before entering the gallery. They will in turn be given blindfolds and noise canceling headphones to create an atmosphere of "full emptiness."

Sean Kelly Gallery, 475 Tenth Avenue, 6-8 p.m.
