Cy Twombly, Cyprien Gaillard, Hugo McCloud: Must See New York Shows

With Armory Week upon us, here are some not-to-miss exhibitions going on around New York outside the fairs. Below, you'll find our selection of must-see shows.

Hugo McCloud, *Dividing Lines*, 2017, Patina, oil stick, solder on solid bronze sheet, mounted on aluminum frame, 77 x 84 inches, courtesy of Hugo McCloud and Sean Kelly

"Hugo McCloud: Metal Paintings" at Sean Kelly BK
March 9—11, 17—18

Sean Kelly is showing the works of Hugo McCloud at a space in Brooklyn during Armory Week. The industrial site acts as a platform for this new suite of paintings, utilizing materials and innovative techniques. Inspired by the rawness of his surroundings, McCloud tames his unconventional materials and creates pieces that are recognizably sophisticated and exuberant in their color.
