## Beautiful Shows for Beautiful Weather: 33 New York Gallery Exhibitions to See This May

Anchored by Frieze Week, May is one of the busiest months for gallery shows in New York.

*The editors at artnet News searched New York City high and low for the most exciting, bizarre, and thought-provoking gallery exhibitions this May.*

### 21. "Liu Wei: 180 Faces" at Sean Kelly Gallery

For the first time in almost 20 years, Chinese painter Liu Wei's work will return to America for the solo show at Sean Kelly. The show is comprised of 180 individual paintings, each done in a distinct style ranging from traditional calligraphy to Expressionism.

*May 4–June 16; opening reception, 6 p.m.–8 p.m.; 475 10th Avenue*
