Janaina Tschäpe at Sean Kelly

Now—December 8

“HumidGray and ShadowLake” is Janaina Tschäpe’s debut exhibition at Sean Kelly Gallery showcasing her distinctive style of abstraction, which uses organic forms to suggest ideas of growth, transition, and metamorphosis. In the show, works like *MorningGreen* and *Kleine Nachtmusik* (a take on a starry night sky hovering over a field) demonstrate the artist’s process, which she describes as “an idea of color developing into a landscape.”
