Scenes from Miami Art Week: Day 2018 PARTIES Scenes from Miami Art Week: Day 2

The 2018 edition of Art Basel Miami Beach opened yesterday to invited guests. The day's action saw robust sales, and there were all sorts of talked-about artworks on view, most notably a \$50 million Rothko. Below a look around some of the booths at the fair and a reception for the Bass museum.

View of the booth of New York's Sean Kelly gallery, who is urging collectors to "Collect Wisely," at Art Basel Miami Beach.
