SURFACE

Anthony McCall: Split Second

December 14, 2018 – January 26, 2019

475 10th Ave, New York, NY 10018

<https://www.skny.com/exhibitions/anthony-mccall5>

Traversing sculpture, cinema, and drawing, McCall uses beams of light to create the illusion of volumetric forms that slowly shift and change in space. By shrouding a darkened room in mist, McCall renders complex sculptural forms out of cinema's key components: time and light.
