5 to See: This Weekend

This week's new exhibitions and must-see photography festivals navigate a variety of environmental, avant-garde and intimate approaches to photography.

Alec Soth: I Know How Furiously Your Heart is Beating, Sean Kelly, New York

"I wanted to strip the medium down to its primary elements... to simply spend time looking at other people and, hopefully, glimpse their interior life." This personal show focuses on Soth's depiction of the individual within home environments, and ties in with a new publication from MACK. Until 27 April.
