Our 6 favorite art galleries in NYC

There are 1,500 art galleries in NYC, according to some estimates, making it the largest concentration of galleries in the world. We were lucky to meet Elizabeth Fiore who is an Art Advisory in New York City and specializes in building private and corporate collections.

In this article, Elizabeth shares the best art galleries in NYC and her absolute favorites with us. Who could know better than her, right?

5. Sean Kelly Gallery New York at Hudson Yards

Sean Kelly's program is full of artists with diverse practices, such as Alec Soth, Janaina Tschäpe, Sam Moyer, and Anthony McCall. The gallery takes risks for their artists, putting on exhibitions that utilize or modify the vast gallery space and often move beyond the notion of the basic "white cube" (475 10th Avenue).
